

# HUMERA KHAN COLLEGE OF EDUCATION

## **ASSEMBLY ACTIVITIES**

The morning assembly is conducted in a unique and imaginative manner at Humera Khan College of Education. Morning assemblies are very important because they help to establish the tone for the day, build community, promote discipline, and encourage students' overall growth. Morning assemblies play a specific role in Indian education, which emphasizes moral values and character development in addition to academic instruction.

A morning assembly that is well-organized and carried out can assist students in discovering their gifts, setting objectives for the future, and growing intrapersonal intelligence. It acts as a forum for disseminating cultural values as well as crucial details concerning classroom activities and current affairs. Hence, unique assemblies are encouraged by student teachers in Humera Khan College of Education.

Our morning assembly begins with Mumbai University song, prayer, national pledge followed by current affairs, theme of the day, significance of the day, yoga and meditation, the national anthem, speeches, motivational thoughts, and more.

The school staff and students' morning assembly exercises have a significant impact on all aspects of life. Attending school assemblies has good consequences that last a lifetime. The following are some advantages of morning assemblies for students:

- Develops a sense of unity & belongingness
- Develops a passion for extra-curricular activities
- Teaches social skills and conduct
- Gain confidence speaking in front of groups and conquer stage fright
- Builds and enhances confidence
- Provides students with moral values
- Time management and Leadership Skills
- Encourage complete and active participation

A significant aspect of HKCE culture is morning assembly. It enhances the efficiency of our day-to-day operations. Additionally, it gives pupil teachers a lot of energy to go out and have a fantastic day. The assembly program has the power to create and preserve a supportive, wholesome school climate that unites everyone. Additionally, it fosters interaction amongst students from various classes and closes the seniority-juniority divide. We at Humera Khan College of Education usually organise and carry out our assemblies with great care, throwing light on a variety of topics related to student's life and culture. They make sure that the goals and objectives of morning assembly are not taken for granted and all efforts are made to meet those objectives.
