

MAHARASHTRA EDUCATIONAL SOCIETY'S
HUMERA KHAN COLLEGE OF EDUCATION
JOGESHWARI (WEST)
Commitment toward green Environment

Objectives

- To Foster a sense of individual and collective responsibility for the environment among students
- To instill values of empathy, care and stewardship for the natural world
- To strengthen the sense of community by bringing students together around a shared commitment to environment protection
- To influence positive behavior change by making commitment to uphold the environmental oath

Date: August 12, 2023

Time: 1.30 P.M

Location: Humera Khan College of Education

On August 12, 2023, Humera Khan College of Education hosted an inspiring and impactful Environmental Oath Ceremony. The event was organized with the aim of raising environmental awareness, promoting sustainable practices, and encouraging the college community to take collective action for a greener future. The event commenced at 1:30 P.M with an opening speech that included a welcome address by the Student Ms Saima Khan. The ceremony commenced with all attendees, including **I/C Principal Varsha Gamare , Teaching Staff Asst. Prof Vidya , Asst Prof Madhuri, Asst Prof Avani, Asst Prof Vikas.** and the 25 students standing together to take a solemn oath to protect and conserve the environment. The oath emphasized individual and collective responsibility towards adopting sustainable habits and making conscious choices to minimize environmental impact. The event incharge was **Asst. Prof Sana** .At the end of the ceremony, participants were presented with certificates of participation and commitment to the environment. These certificates served as a reminder of their pledge and the responsibility they undertook.

Learning Outcome

The Environmental Oath Ceremony held at Humera Khan College of Education on August 12, 2023, was a powerful reminder of the importance of environmental stewardship and the role each individual plays in preserving our planet. The event successfully ignited a sense of responsibility, knowledge, and enthusiasm among the college community to make a positive impact on the environment and inspire others to do the same. The ceremony served as a catalyst for ongoing efforts towards creating a more sustainable and eco-conscious campus.
