JOGESHWARI (WEST)

**Report on Celebrating Exchange of Sapling**

**Objectives**

- To educate the students about the importance of trees and environmental conservation
- To promote the deeper understanding of their role of sustaining ecosystem
- To Foster sense of responsibility and connection to nature.
- To empower the students to take initiative in organizing and participating in activities that have a positive impact on the environment and society

Date: August 10, 2023

Time: 11:00 AM

Location: Humare Khan College, Jogeshwari West

On August 10th, a vibrant and environmentally-conscious event took place at Humare Khan College in Jogeshwari West. The occasion was the celebration of a sapling exchange event, organized to promote environmental awareness, community engagement, and a sense of responsibility towards nature.

The event commenced at 11:00 AM with an opening ceremony that included a welcome address by the Student Ms Saima Khan , emphasizing the importance of preserving our natural resources and fostering a green campus. The event incharge was Avani Kanakia under the guidance of **I/C Principal Varsha Gamare** and the participants were all Teaching Staff **Asst. Prof Vidya , Asst Prof Madhuri, Asst Prof Sana, Asst Prof Vikas.** And the 25 students .The heart of the event was the sapling exchange itself. Attendees were encouraged to bring a sapling from their homes or local nurseries and exchange it with fellow participants. This unique

approach aimed to diversify the types of plants within the community while symbolizing unity in preserving the environment. The celebration of sapling exchange attracted a diverse crowd, including students, faculty, local residents, and environmental enthusiasts. This diverse participation fostered a sense of community and shared responsibility towards the environment. The event concluded with a closing ceremony where participants were acknowledged for their contribution to the greening of the campus and the promotion of environmental consciousness certificates were distributed to all the students participants

## Learning Outcome

The celebration of the sapling exchange event on August 10th at Humare Khan College was a resounding success in fostering environmental awareness, encouraging community involvement, and inspiring a commitment to a greener future. The event demonstrated the power of collective action in creating a positive impact on the local environment and highlighted the role of educational institutions in promoting sustainable practices.
