Respected Madam,

It was indeed a pleasure for Aakansha Social Foundation to work with you and students of Humera Khan College of Education for Beach Cleaning at Aksa Beach, Malad West on December 28, 2022.

As we know the marine ecosystem is affected by plastic waste and thus, we try to exclude the plastic waste as much as we can by every week beach cleanup. We are grateful to you for joining hands together and participating in this beach cleaning drive for such a noble cause.
