

Humera Khan College of Education Jogeshwari (W)

Sem IV S.Y. B.Ed Batch 2022-24

Action Research title

Roll No	Div	Name of the Student	Action Research -Title	Name of the Guide
1	A	ADENWALA NIDA ABDUL GANI	Effect of Remedial Program on problem faced by students in understanding Punctuation Marks in English subject of std VIII students	Dr. Avani Kanakia
2	A	ALMEIDA CELESTE MARVIN	Effect of Remedial program on problem faced by students in Identifying Figures of speech in English Grammar of Std XI.	Prof. Avani Kanakia
3	A	ANSARI AFREEN MOHD AHMED	Effects of interventions on the difficulties encountered in learning targets of the 12th five year plan (2012 - 2017) in Economics subject of standard XI students	Prof. Vikas Yadav
4	A	ANSARI ALMAAS ABDUL HASAN	A study of effect of intervention on difficulties encountered by the students of std 9th in plotting grap in economics subject	Dr. Masarrat Ali ma'am
5	A	ANSARI ANAM MIRAJ	A study of the effects of interventions on the difficulties encountered by the students of std. 11th in learning the topic Economic planning in India in the subject of Economics	Dr. Masarrat Ali ma'am
6	A	ANSARI FATMA GAUS ALAM	A study of effects of remedial program on problems faced by students in understanding the institutional sources of agricultural credit in India subject of economic of standard 11th	Dr. Masarrat Ali ma'am
7	A	ANSARI MISBA PARVEEN ANIS	A study of effect of intervention on the difficulties encountered in learning trigonometry table in mathematics subject of std 9th students	Prof. Vikas Yadav
8	A	ANSARI SAFINA WAZIR AHMED	A study of effects of remedial program on problems faced by the students of std 11 in understanding the economic development of Maharashtra.	Dr. Masarrat Ali ma'am
9	A	ANSARI SANA SHAKIRALI	A Study of effects of remedial program on problems faced by students in understanding the concept of black money and demonetisation in economics subject of 11th standard	Dr. Masarrat Ali ma'am
10	A	ANSARI SARA M SHAHID	A Study Of Effectiveness Of Development Programme On The Difficulties Encountered In Journal Entries In Book-Keeping Subject Of Standard XI	Prof. Vidya Vishwakarma
11	A	AYARE DIVYA ANIL	---	Prof. Vidya Vishwakarma
12	A	BHATI SANIA	A study of effectiveness of development programme on the difficulties encountered in lack of interest in concept of timeline in History subject of standard VII students	Prof. Varsha Gamare
13	A	CHAURASIYA POONAM	A study of effects of developing program on problems faced by students of VII in learning of jod akshar in hindi subject.	Dr. Masarrat Ali ma'am
14	A	CHOGLE SAMREEN ABDULLAH	A study of effects of remedial programme faced by students in using plastic money in economics subject -Class 11	Prof. Vidya vishwakarma [1]
15	A	CHOUDHARY AFREEN ABDUL AZIZ	A study of effect of Remedial program on problem faced by students in learning and understanding tenses in English subject classroom VIth std	Dr. Avani Kanakia
16	A	D'SOUZA ROWELL RONNIE	To study the effectiveness of interactive activities in economics subject among standard XI students.	Prof. Vidya Vishwakarma
17	A	GANDHI PAYAL SATNAM	A study of effect of Remedial Program on problems faced by students in understanding Prepositions in English subject of std 6th students.A study of	Dr. Avani Kanakia
18	A	GHANCHI ANAM AKHTAR HUSAIN	A study of effect of Remedial Program on problems faced by students in understanding and implementation of direct and indirect speech in English subject of std 7th students.	Prof. Vidya Vishwakarma
19	A		LEFT	
20	A	HAIDERY SAUD AHMED SAJID AHMED	A Study to Examine the lack of interest among VIII grade students towards the Mathematics subject.	Prof. Vikas Yadav
21	A	HUSSAIN LUBNA ANWAR	A study of effectiveness of remedial program on the difficulties faced in learning figure of speech in English subject of 7 th standard students	Dr. Sandhya Sarwade

22	A	KANABAR MALAY AJAY	A study of effects of interventions on the difficulties encountered in various elements of sales and promotion for Grade 12 students.	Prof. Vidya Vishwakarma
23	A	KATOWAR RUKSAR BANU HAFIZ	A study of effectiveness of interventions on the difficulties encountered in learning the 12th Five Year Plan in Economics subject of standard XI Students.	Dr. Sandhya Sarwade
24	A	KHAN AFREEN BANO ABUBAKAR	A study of effects of intervention on problems faced by students of std 11th understanding the concept of Rural development in India in the subject of Economics	Prof-Varsha Gamare
25	A	KHAN FARHANA MAINUDDIN	A study of effect of Remedial program on problem faced by students and difficulties in identifying Verb and Adverb in English language of 8th std	Dr. Avani Kanakia
26	A	KHAN FARHEEN FARUK	A study of effects of interventions on the difficulties encountered in various elements of sales and promotion for Grade 12 students.	Dr. Sandhya Sarwade
27	A	KHAN HASEENA ABDUL QUDDUS	A study of effects of intervention program on problems faced by students in understanding the concept of Evolution of money subject of economic of standard 11th	Prof. Varsha Gamare
28	A	KHAN HEEBA ASHFAQ	A study of effectiveness of interventions on the difficulties encountered in learning Perimeter and Area in Maths subject of standard VII Students.	Prof. Vidya Vishwakarma
29	A	KHAN IMRAN BARKAT ALI SAIRA	A Study on 5 th Grade Students' Achievement Levels and Misconceptions in the Concept of Angle	Prof. Vikas Yadav
30	A	KHAN MEHWASHBANU AZMAT	A study of effectiveness of interventions on the difficulties encountered in learning four fundamental operation in mathematics subjects of std 7th.	Prof. Vikas Yadav
31	A	KHAN MOBA AMIR AHMED	A study of effectiveness of interventions on the difficulties encountered in learning Economic policy of India Since 1991 in Economics subject of standards.	Dr. Sandhya Sarwade
32	A	KHAN MOUZZAM MOHD VAIS	A study of effect of Remedial Program on problem faced by students in understanding Punctuation Marks in English subject of std VIII students	Dr. Avani Kanakia
33	A	KHAN RAFATANJUM MOHAMMED ASLAM	A study of effectiveness of interventions on the difficulties encountered in learning measure time in Maths subject of standard VI Students.	Prof. Vidya Vishwakarma
34	A	KHAN RAMSHA SHAHID	A study of effects of intervention on the difficulties encountered in learning Division in Mathematics subject by II grade students.	Prof. Vikas Yadav
35	A	KHAN RANIA ABDUL RAHIM	A study of effects of interventions on the difficulties encountered in learning Economic policy of India Since 1991 in Economics subject of XI standards.	Dr. Sandhya Sarwade
36	A	KHAN RUBINA	A study of effect of intervention on the difficulty of fraction mathematics subject by standerd grade 6th	Prof. Vikas Yadav
37	A	KHAN SABINA ABDUL HAQ	A study of effects of interventions on the difficulties encountered in learning Types of Industrial Unemployment in Economics Subject of Standard XI Students.	Prof. Sandhya Sarwade
38	A	KHAN SABREENA MUSHTAQUE	A study of effects of interventions on the difficulties encountered in dealing with dyscalculia of 8th standard students in mathematics	Prof. Vikas Yadav
39	A	KHAN SAIMA SAJID	A study of effectiveness of intervention on the difficulties encountered in learning NITI AAYOG in economic subject of standard XI	Dr. Sandhya Sarwade
40	A	KHAN SAMINA	A study of effect of intervention on the difficulties encountered in learning NITI AAYOG in Economics subject of standard 11 students.	Prof. Sandhya Sarwade
41	A	KHAN SANA	A study of effects of Algebraic Equation Solving Intervention for the students with mathematics Learning Difficulties in std 7th	Prof. Vikas Yadav
42	A	KHAN SHABANA HASHMAT ALI	A study of effects of a remedial program on the problems faced by 6th grade students in learning about Circle and their properties	Prof. Varsha Gamare
43	A	KHAN SUALEHA AYYUB RAHEBAR	A Study of effect of interventions on the difficulties encountered by the students of Std. VI in Solving problems of Decimal Fractions and BODMAS in Mathematics Subject.	Prof. Vikas Yadav
44	A	KHAN UZMA MOHAMMED TAUFIQUE	A study of investigating the effectiveness of different teaching methods (e.g., traditional lectures, group work, interactive activities) on student understanding of algebraic concepts.	Prof. Vikas Yadav

45	A	KHAN ZAINAB KHATOON MOBEEN AHMED	A Study of effects of intervention program difficulties faced by students in understanding the concept of statistics (Average, Mean, Graph) (Data quality issues such as errors, outliers of 7th Standard students in mathematics)	Dr. Massarrat Ali Ma'am
46	A	KHARDI SIDDIKA ABDUL KADAR	A study of effects of interventions on the difficulties encountered in Learning Economics policies in India Since 1991 in Economics subject of standard XI students	Dr. Sandhya Sarwade
47	A	KHIRSAREWALA ALMAS MOHD SALIM	A study to examine the role of technology assisted intervention in Mathematics for students of Standard VII	Prof. Vikas yadav
48	A	MALIK SANA AZIMURREHMAN	Effect of remedial program faced by student in solving mathematical operation (BODMAS) in subject of mathematics on student of standard 6th	Prof. Vikas yadav
49	A	MALIM NABIHA IRFAN	A study of effectiveness of interventions on the difficulties encountered in understanding of mughal empire in history subject of standard VII students	Prof. Varsha Gamare
50	A	MANSOORI KHADIJA MOHAMMAD AKRAM	A Study of effect of interventions on the difficulties encountered by the students of Std. VI in Solving problems of Decimal Fractions in Mathematics Subject.	Dr. Masarrat Ali Ma'am
51	B	MEMON SHIFA HARUN	A Study of effect of interventions on the difficulties encountered by the students of Std. VI in learning mathematical formulas in Mathematics Subject.	Dr. Avani Kanakia
52	B	MISHRA NEHA LALANKUMAR	Exploring the impact of virtual reality (VR) technology on student engagement and understanding for students of Standard VIII	Dr. Avani Kanakia
53	B	NAGORI SARA MOHD AZAD	A study of effects of a remedial program on the problems faced by 6th grade students in learning about triangles and their properties	Dr. Avani Kanakia
54	B	PANDEY JYOTI	A study of effectiveness of interventions on the difficulties encountered in learning primary and secondary sources in history subject of standard VI students	Dr. Avani Kanakia
55	B	PARIHAR HUMERA KASIM SHABAB	A study of effect of development program on the difficulties encountered in comprehending difficult vocabulary in English subject of standard VI students.	Prof. Vidya Vishwakarma
56	B	PATEL HUMERA RIZWAN	A study of effects of remedial program on problems faced by students in understanding Punctuation marks in English in std 6	Dr. Avani kanakia
57	B	PATEL ZUVERIYA MD RAFIQUE	A study of effectiveness of remedial program on problems faced by students in solving decimal problem in mathematics subject of std VI student	Prof. Varsha Gamare
58	B	PAWASKAR JUVERIYA IMTIYAZ	a study of effectiveness of remedial program on problems faced by students in writing Composition for Std 6	Prof. Vidya Vishwakarma
59	B	QURESHI HUDA	A study of effectiveness of intervention to examine the lack of interest among 8th grade student towards Mathematics chapter circle - chord & arc	Dr. Avani Kanakia
60	B	QURESHI NAMEERA JUNED	A study of effect of remedial program on problem faced by students learning in context of formal technique of drawing bar graph maths subjects of standard VII students	Dr. Avani Kanakia
61	B	SAMAN MOHAMMED MANZAR	A study of effect of interventions on the difficulties encountered in calculating LCM and HCF using factorization method in mathematics subjects of standard VII students.	Prof. Vidya Vishwakarma
62	B	SAYED AATHIFA MOHIDDIN	A study of effects of interventions on the difficulties encountered in writing emails in English subject of standard 11th students.	Prof. Vidya Vishwakarma
63	B	SAYED AYSHA MOHAMMED YUNUS	A study of effect of remedial program on problems faced by students learning public sector and private sector in OCM subject of std XI students	Dr. Avani Kanakia
64	B	SAYED FATIMA KANIZ	A Study to find out perception about learning during the COVID-19 of bachelor Students of Humera Khan College of Education	Dr. Sandhya Sarwade
65	B	SAYED RAINA HASAN	A Study to find out perception about learning during the Covid pandemic of Pre service Students	Prof. Varsha Gamare
66	B	SAYYAD YASMEEN MAHAMOOD	A study of effects of Remedial Program on problems faced by Students learning Cashless Society Subject: Economic Standard: 9	Prof. Avani kanakia
67	B	SAYYED SADAF ABDUL	A study of effect of intervention on the difficulties encountered in operations on fractions in maths for grade 7 students	Prof. Vikas Yadav
68	B	SHAIK NAMRA MOHAMMED LATIF	A study of the effects of interventions on students' problems in solving mathematics equations of std 8th students.	Dr. Masarrat Ali Ma'am

69	B	SHAIKH AFIFA PERVEZ AHMED	A study of effects of intervention program on problems faced by students in solving Division in mathematics subject of standard 8.	Prof. Varsha Gamare
70	B		LEFT	
71	B	SHAIKH FARHEEN RAHAT	A study of effect of intervention on the difficulties encountered in identifying and implication of tenses in english for standard VI Students.	Prof. Vidya Vishwakarma
72	B	SHAIKH FIZA MAQBOOL	A study of effects of intervention on problems faced by students of std.11 in understanding the concept of rural development in India in the subject of Economics.	Prof. Vidya Vishwakarma
73	B	SHAIKH FLAK AFZAL NUSRAT	A study the effect of interventions on the difficulties encountered in learning Parts of speech in English Grammar of std 6th	Dr. Sandhya Sarwade
74	B	SHAIKH HEENA PARVEEN	A study of difficulties faced by 6th std students on reading skills.	Prof. Varsha Gamare
75	B	SHAIKH JAHANARA MD SADIK	A study of effects of interventions on the difficulties encountered in learning Antithesis in English grammar of standard 6th	Dr. Sandhya sarwade
76	B	SHAIKH KESA FATIMA NAWABHASAN	A study of effects of remedial programs on problems faced by student and difficulties in preposition in English of std5th	Prof. Varsha Gamare
77	B	SHAIKH MOIN ABDUL RAUF	A Study of effect of remedial program on problems faced by students in Solving Numerical Problems of Topic Units, Dimensions and Measurement in Physics subject of standard XII [2]	Dr. Massarrat Ali ma'am
78	B	SHAIKH NAAZ PARVEEN MOINUDDIN	A study of effectiveness of interventions on the difficulties encountered in learning concepts of utility and it's factor affecting the human behaviour of STD 12th.	Dr. Sandhya Sarwade
79	B	SHAIKH NAYAB MANSOOR ALI	A study of effects of remedial program on problems faced by students in understanding the rational numbers in std 8th	Dr. Massarrat Ali ma'am
80	B	SHAIKH SABA BANU MOHAMMED SAMAD	A Study of effects of remedial program on problems faced by students in understanding the concept of co-ordinary Geometry in maths subject of std IX	Prof. Varsha Gamare
81	B	SHAIKH SAFIYA NISAR AHMAD	A Study of effects of remedial program on problems faced by students in understanding chronological order in History subject of std VII	Prof. Varsha Gamare
82	B	SHAIKH SAMREEN MOHAMMED FAIYAZ	A study of effectiveness of remedial program on problems faced by students in finding square & cube power of any integer in mathematics subject of standard VIII students.	Prof. Varsha Gamare
83	B	SHAIKH SHAHNAZ BANO AALEEF	A study of effectiveness of intervention program on problem faced by students in difficulties in two fundamental operations in mathematics that is division and multiplication of mathematics .	Prof. Varsha Gamare
84	B	SHAIKH TOOBA BANO ISHTIYAQUE AHMED	A study of effect of Remedial Program on problems faced by students learning General measures to eradicate poverty in Economic Subject of Std. XI Students	Dr. Sadhya Sarwade
85	B	SHIRSAT VIDYA ARUN	A study of effectiveness of development programme on the difficulties encountered in reading English subject of standard VI	Prof. Vidya Vishwakarma
86	B	SIDDIQUI MARIYA SUFIYAN ALI	A study to find out difficulties faced by students of 9 standard in handling Geometrical instruments.	Dr.Sandhya sarwade
87	B	SIDDIQUI SHAINA SIRAJUDDIN	A study of the effects of pupils to correctly analyse and solve the word problem in mathematics	Dr. Massarrat Ali Ma'am
88	B	SUTAR SHITAL DEEPAK	A study of effectiveness of interventions on difficulties encountered in problems faced in solving mathematical word problem by VII grade students	Prof. Vikas Yadav
89	B	SYED NOUSHEEN ABDUL	A study of effects of interventions on the difficulties encountered in understanding -suffix and prefix in grammar for std 6 students.	Prof. Vidya Vishwakarma
90	B	SYED SHARFIYA FIROZ	A study of Effects of interventions on the difficulties encountered in understanding - Problems in framing sentences in grammar for std 6 student	Prof. Vidya Vishwakarma
91	B	TANWAR FARHEEN	A study of effect of intervention program on problems faced by students in solving multiplication in mathematics subjects of 6th standard.	Dr. Massarrat Ali ma'am
92	B	VIJAYA SUBBIAH PANDIAN	A study of Effects of interventions on the difficulties encountered in taking up reading as a hobby for std 7 student	Prof. Varsha Gamare

93	B	YADAV ANJALI UMASHANKAR	A study of Effects of interventions on the difficulties encountered in understanding Profit and Loss in Mathematics Subject for std 6 student.	Dr. Massarrat Ali ma'am
94	B	YADAV PREETI SABHELAL	A study of effect of intervention on the difficulties encountered in learning Algebraic expression in mathematics subject of standard VII students	Prof. Vikas Yadav
95	B	YADAV VEDPRAKASH DHARAMDEV	A study of effectiveness of interventions on technology based teaching in Science subject by VII standered students	Dr. Massarrat Ali ma'am
