CONTENT

Board Artistry Day was celebrated with enthusiasm and creativity at Humera Khan College on 20th January 2025. This event aimed to showcase the talent and innovation of students and faculty in creating visually appealing and meaningful designs on boards, while emphasizing the importance of visual communication in education and expression.

The highlight of the day was the inter departmental board artistry competition. Teams were tasked with creating thematic designs on boards using specified materials.

Themes included:

- Social Studies
- Language
- New Education Policy
- Maths and Science

The participants impressed the judges with their innovative designs, creativity, and attention to detail.

LEARNING OUTCOME

They developed the ability to think creatively and work with various artistic techniques. Students understood the significance of visual communication in conveying complex ideas effectively. They explored ways to make content more engaging and accessible through art. The event fostered teamwork as students collaborated to create cohesive designs. It enhanced interpersonal skills and the ability to work in a group setting. Board Artistry Day contributed to the holistic development of students by combining creativity, communication, and collaboration, leaving them with skills they can use in academic, professional, and personal contexts.
