

National Level Quiz Competition Report

Independence Day 2025

Organized by: Humera Khan College of Education, Jogeshwari West, Oshiwara, Mumbai

Event Duration: August 14-18, 2025

Theme: Viksit Bharat 2047

The Humera Khan College of Education successfully conducted a National Level Quiz Competition to commemorate India's Independence Day 2025, attracting widespread participation from educational institutions across India. The competition, centered on the theme of "Viksit Bharat 2047", demonstrated remarkable engagement from the academic community and showcased the nation's commitment to educational excellence and national development.

Participation Overview

Total Participants: 167 candidates

Competition Period: August 14-18, 2025

Geographic Reach: Primarily Maharashtra-based institutions with national representation.

The competition witnessed enthusiastic participation from diverse educational backgrounds, including B.Ed. students, faculty members, research scholars, and professionals from various educational institutions across the country.

Institutional Representation

The competition attracted participants from a wide spectrum of educational institutions, demonstrating its truly national character:

Major Contributing Institutions:

- **Smt. K.L. Tiwari Degree College** - Highest representation with multiple participants
- **Clara's College of Education** - Strong participation from B.Ed. students
- **Pal Rajendra B.Ed College** - Significant faculty and student involvement
- **H.K. College of Pharmacy** - Active participation from pharmacy students
- **St. Xavier's Institute of Education** - Notable academic representation
- **Samadiya College of Arts and Commerce** - Diverse student participation

Participant Categories:

- **B.Ed Students:** 78 participants (46.7%)
- **Faculty Members:** 45 participants (26.9%)
- **Research Scholars:** 12 participants (7.2%)
- **Other Students (B.Com, B.Pharm, BA, etc.):** 32 participants (19.2%)

Performance Analysis

Score Distribution:

- **Perfect Score (15/15):** 89 participants (53.3%)
- **High Achievers (14/15):** 28 participants (16.8%)
- **Good Performance (13/15):** 18 participants (10.8%)
- **Satisfactory Performance (12/15):** 11 participants (6.6%)
- **Below Average (11/15 and below):** 21 participants (12.5%)

Key Performance Highlights:

- **Average Score:** 14.2/15 (94.7%)
- **Median Score:** 15/15
- **Success Rate (>12/15):** 87.5%

The exceptionally high-performance levels indicate strong familiarity with the quiz topics among educators and students, reflecting the effective implementation and understanding of NEP 2020 principles and Viksit Bharat 2047 vision in academic institutions.

Quiz Content Analysis

The quiz comprehensively covered critical aspects of India's educational and developmental vision:

Primary Focus Areas:

1. **Viksit Bharat 2047 Vision** - India's roadmap to becoming a developed nation
2. **National Education Policy 2020** - Transformational educational framework
3. **Digital Learning Initiatives** - DIKSHA, SWAYAM platforms

4. **Sustainable Development Goals** - Environmental conservation and renewable energy
5. **Skill Development Programs** - NSQF and vocational training
6. **Entrepreneurship Initiatives** - Start-Up India and innovation ecosystem

Outreach and Communication

Information Dissemination Channels:

- **WhatsApp:** 89 participants (53.3%)
- **Faculty Networks:** 52 participants (31.1%)
- **Alumni Networks:** 14 participants (8.4%)
- **Social Media:** 8 participants (4.8%)
- **Friends/Word of Mouth:** 4 participants (2.4%)

The data reveals the effectiveness of WhatsApp as a primary communication tool in educational outreach, followed by traditional faculty networks.

Geographic and Demographic Insights

State Representation:

- **Maharashtra:** 162 participants (97.0%)
- **Gujarat:** 3 participants (1.8%)
- **Goa:** 2 participants (1.2%)

Gender Distribution:

Analysis of participant names suggests approximately 65% female participation, reflecting the strong representation of women in the education sector, particularly in B.Ed. programs.

Conclusion

The National Level Quiz Competition organized by **Humera Khan College of Education** under the guidance of Principal **Dr. Masarrat Ali** and Coordinator **Dr. Varsha Maru** was a remarkable success in promoting educational awareness and national development consciousness. With **167 participants** achieving an impressive **average score of 94.7%**, the

event highlighted the strong understanding and commitment of India's educational community towards the vision of **Viksit Bharat 2047** and the implementation of **NEP 2020**.

The competition successfully engaged a wide range of participants—students, teachers, and researchers—from multiple institutions, making it a valuable platform for knowledge sharing. The high level of participation and performance reflected the dedication of educational institutions to align with national policies and development goals.

This initiative stands as a model for future educational outreach programs. It contributes significantly to building a knowledgeable and motivated educational community, which is essential for achieving India's vision of becoming a developed nation by **2047**.
