**DATE:** 19<sup>TH</sup> APRIL 2025

**TIME:** 9 AM Onwards

**VENUE:** Aarey Milk  
Colony

**FACULTY:**

**Principal:** Dr. Masarrat Saheb Ali

**Prof. In charge:** Dr. Varsha Maru and Dr. Avani Kanakia

**OBJECTIVES:**

- To encourage students to actively participate in environmental conservation efforts.
- To create awareness about the importance of tree plantation in sustaining ecological balance.
- To instil a sense of responsibility and commitment towards protecting and nurturing the environment.

**CONTENT:**

HKCE organised a Tree Plantation Activity under Community Work in collaboration with Akansha Foundation. Students were instructed to bring their saplings, and together, we planted them at Aarey Milk Colony. It was a heartwarming sight to see everyone actively taking part in making our environment greener.

Mumbai Police also joined us for the event, and one of the officers gave a short but powerful speech about the importance of protecting nature and how today's youth must take this responsibility seriously.

The atmosphere was full of enthusiasm, unity, and hope as we all came together for a common cause, making the earth a better place.

**REFLECTION:**

Participating in the tree plantation drive was a truly fulfilling experience. Planting a sapling with our own hands made us feel connected to the earth in a way that words cannot explain. It reminded us that small actions today can lead to big changes tomorrow.

The speech given by the Mumbai Police was inspiring and motivated us to think beyond ourselves and contribute to the larger good. This activity not only made us more aware of environmental issues but also taught us the importance of teamwork and responsibility.

We left Aarey Milk Colony with muddy hands, happy hearts, and a strong sense of purpose.
