shaping the future youth of the nation**

Report on Slogan Writing Competition held at Humera Khan College of Education

Date: 20/09/2025

Venue: 501, HKCE Classroom

Objectives:

- To create awareness about the importance of water conservation.
- To encourage creativity and critical thinking among students.
- To promote environmental responsibility through expressive slogans.
- To develop communication skills by presenting ideas in short, powerful lines.

Significance

- It helped students realize the value of water and the need to save every drop.
- It fostered teamwork, participation, and healthy competition.
- It highlighted the role of future teachers in spreading awareness on sustainability.
- It provided a platform for students to showcase their innovative ideas for social good.

Content:

The Environment Committee of Humera Khan College of Education, Oshiwara organized a Slogan Writing Competition under the theme “Drop by Drop” on 20th September at 12:30 PM in Classroom 501. The program was coordinated by Dr. Avani Kanakia under the guidance of the Principal, Dr. Varsha Maru, along with the organizing committee members. The competition was judged by **Priyanka Goswami**, who appreciated the creativity and enthusiasm of the participants. The winners were announced as follows:

1st Prize – Sidrah Shaikh,

2nd Prize – Sidrah Khokar,

3rd Prize – Allyshan Faridi and Rubab Kojar.

The event proved to be an inspiring platform where future educators highlighted the urgent need for water conservation in unique and thought-provoking ways.

Learning Outcomes:

- Students learned the importance of conserving water resources.
- They enhanced their creative writing and slogan framing skills.
- They developed confidence in presenting environmental concerns.

- They understood the role of education in promoting sustainable living.

Conclusion:

The Slogan Writing Competition successfully blended creativity with social awareness, making students realize that every small effort counts in saving the environment. The enthusiastic participation and thoughtful slogans proved that young minds could contribute meaningfully to global concerns. The event not only encouraged awareness but also instilled a sense of responsibility towards shaping a sustainable future.
