The two-day celebration was filled with joy, creativity, and cultural vibrancy, bringing together teachers and student-teachers in the true festive spirit of Diwali. The college premises were beautifully decorated with diyas, rangolis, and colourful artwork created by the students, setting a warm and cheerful atmosphere for the celebration.

On the first day, the focus was on creative competitions that encouraged students to showcase their artistic talents. Events such as Diya Decoration, Kandil (Lantern) Making, Mehendi competition and Toran or Wall Hanging were organized. Participants used eco-friendly materials, colour papers, mirrors, beads, and other decorative items to create stunning festive artefacts. Each competition reflected the students' imagination and craftsmanship, filling the hall with radiant colours and festive energy. The judges appreciated the participants' creativity, presentation, and innovative ideas.

The second day of the celebration began on a spiritual and patriotic note with the University Song and a soulful Prayer invoking blessings for peace, prosperity, and harmony. This was followed by the Felicitation of Teachers, a heartwarming segment where teachers were honoured for their unwavering dedication and contribution to the institution. The gesture fostered a sense of gratitude and respect among students.

The cultural segment of the program began with a motivational speech on the significance of Diwali, emphasizing values such as unity, compassion, and the triumph of good over evil. A Video Presentation further enhanced the message by depicting how Diwali is celebrated across India, highlighting its cultural diversity and moral depth.

The First Year B.Ed. students presented an impactful skit portraying the deeper meaning of Diwali. The performance was appreciated for its strong message and expressive acting.

Following the skit, a series of dance performances added liveliness to the celebration. Students performed on traditional and contemporary songs, creating a perfect blend of culture and entertainment. The atmosphere was further brightened by interactive games and fun activities, in which teachers and students both participated enthusiastically, symbolizing the unity and family-like spirit of the college community.

Towards the end of the program, certificates and prizes were awarded to the winners and participants of the competitions held earlier. This recognition motivated students to continue nurturing their creative and cultural talents.
