REPORT ON VACHAN PRERNA DIWAS

Humera Khan College of Education celebrated “**Vachan Prerna Diwas**” on **15th October 2025**, commemorating the **birth anniversary of Dr. A.P.J. Abdul Kalam**, the former President of India and a great visionary who inspired millions through his life, work, and words.

To mark this special day, the college organized a **Research Paper Review Competition on 15th of October 2025**, based on the life, thoughts, and contributions of Dr. A.P.J. Abdul Kalam. The aim of the competition was to encourage reading habits among student-teachers and to inculcate in them the values of curiosity, innovation, and dedication to knowledge — ideals deeply associated with Dr. Kalam.

Participants reviewed research papers related to Dr. APJ Kalam and presented their reviews creatively through PowerPoint presentations, chalkboard teaching, chart papers, models, and theme boards. Both First Year (F.Y. B.Ed) and Second Year (S.Y. B.Ed) students participated enthusiastically, showcasing their creativity, analytical thinking, and presentation skills.

To acknowledge and appreciate their efforts, prizes were awarded to the winners from among the participants. The event concluded with words of encouragement and appreciation from the faculty members, motivating students to continue their pursuit of knowledge and excellence.

The celebration successfully reflected the spirit of Vachan Prerna Diwas and served as a fitting tribute to Dr. A.P.J. Abdul Kalam — a true icon of learning, humility, and inspiration.

Objectives

1. To commemorate the birth anniversary of Dr. A.P.J. Abdul Kalam and honor his contributions as a scientist, teacher, and visionary.
2. To promote the habit of reading and critical thinking among student-teachers.
3. To encourage students to analyze and review research papers related to Dr. Kalam's life, philosophy, and achievements.
4. To develop presentation, communication, and research skills among the participants.
5. To inspire students to imbibe the values of curiosity, perseverance, and innovation that Dr. Kalam embodied.
