Name of the Event: Workshop on Research Methodology

Date: 9th January 2026

Resource Person: Dr. Sandhya Sarwade

Class: S.Y. B.Ed Batch (2024-26)

No. Of Participants: 25

INTRODUCTION

A workshop on Research Methodology was organised to enhance participants' understanding of the fundamental concepts, processes, and tools involved in educational and social science research. The workshop aimed to develop research aptitude among students and researchers by familiarising them with systematic research practices.

OBJECTIVES OF THE WORKSHOP

The major objectives of the workshop were:

- To introduce the concept and importance of research in education and allied fields.
- To develop an understanding of various types of research and research approaches.
- To familiarise participants with the steps involved in the research process.
- To provide guidance on research problem selection, formulation of objectives, and hypothesis.
- To enhance knowledge about tools, techniques, and methods of data collection and analysis.

ORGANISATION OF THE WORKSHOP

The workshop was conducted in a well-planned and systematic manner. It included interactive lectures, discussions, and practical illustrations. The sessions were designed to encourage active participation and clarify doubts related to research practices.

CONTENT COVERED

The workshop covered the following major topics:

The session was conducted by an experienced resource person with expertise in research methodology. The resource person explained complex concepts simply and systematically, supported by real-life examples and illustrations.

PARTICIPATION AND INTERACTION

The workshop witnessed active participation from students and faculty members. Participants engaged in discussions, asked relevant questions, and shared their research-related concerns. The interactive nature of the sessions helped in better understanding of the concepts.

OUTCOMES OF THE WORKSHOP

The workshop proved to be highly beneficial for the participants. They gained clarity about: The systematic process of conducting research, the selection of appropriate research methods and tools, writing research proposals and issues in research. The workshop enhanced the research competence and confidence of the participants.

CONCLUSION

The workshop on Research Methodology was successfully conducted and achieved its objectives. It provided valuable insights into the theoretical and practical aspects of research. Such workshops are essential for promoting a research-oriented attitude among students and teachers and should be organized regularly in the future.
