### **Introduction**

The Placement Cell of Humera Khan College of Education, Jogeshwari (W), successfully organised a placement drive on 28th February 2026 to provide employment opportunities for final-year students. The drive aimed to bridge the gap between academic learning and industry requirements by connecting students with reputed organisations.

### **Participating institution:**

The following Education Institution participated in the placement drive:

- **KHMW Degree College, Oshiwara, Jogeshwari (W)**

### **Student Participation**

A total of 05 students from different streams registered for the drive. Students from departments such as [e.g., Accountancy, Management, IT, Commerce, etc.] actively participated.

### **Selection Process**

The recruitment process consisted of multiple stages:

1. Resume through Google form
2. Personal Interview
3. Demo lesson
4. Management panel interview

Each stage is designed to evaluate the candidates' skills, knowledge, and overall suitability for the job roles.

The interview round was successfully conducted, and the shortlisted candidates have been invited for demo lessons.

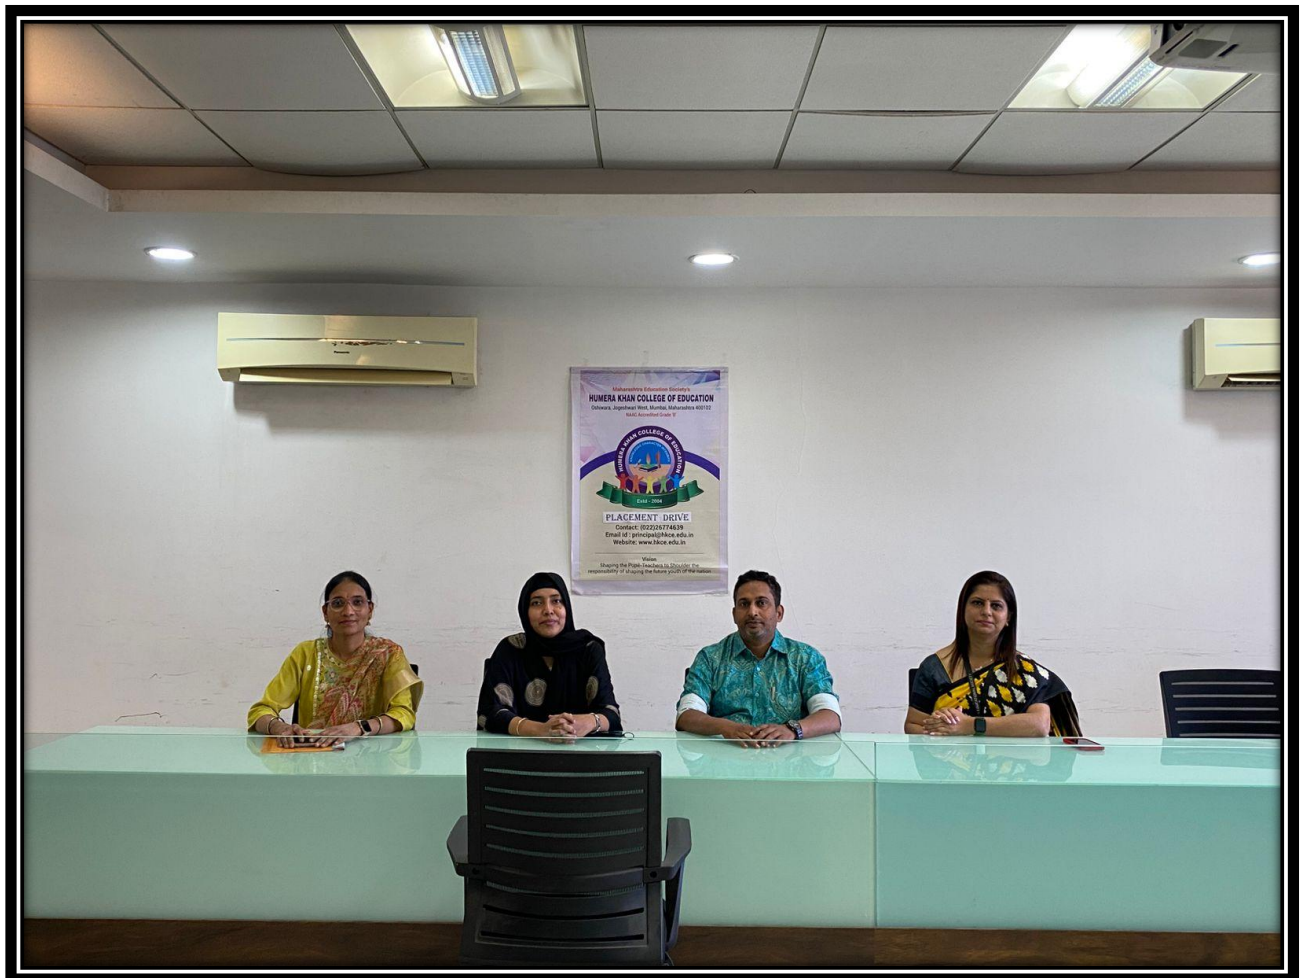

## Results

Of the total participants, 03 shortlisted candidates have been invited to demo lessons on Monday, 2<sup>nd</sup> March 2026. The placement drive witnessed a satisfactory placement rate and positive feedback from recruiters.

## Conclusion

The placement drive conducted on 28th February 2026 was a great success. It provided students with valuable exposure to recruitment processes and helped them secure promising career opportunities. The Placement Cell expresses its gratitude to all participating companies and students for their cooperation and enthusiasm.
