Dr Varsha Maru

**Vision: Shaping the pupil teachers to shoulder the responsibility
of shaping the future youth of the nation**

Report on Creating Awareness for Fire Safety and Prevention Objectives

1. To create awareness among students about fire safety and prevention.
2. To educate students about different types of fire hazards and safety measures.
3. To encourage students to respond calmly and responsibly during fire emergencies.
4. To promote the importance of safety practices within the campus and society.

Significance

Fire safety awareness is essential in educational institutions as it prepares students to handle unexpected emergencies effectively. Programs like *‘‘Tiranga Fire Fighter’’* help students understand the value of safety, responsibility, and quick decision-making. It also encourages them to spread awareness about fire safety in their communities, thereby contributing to a safer environment.

Content

A Fire Safety Awareness Program titled *‘‘Tiranga Fire Fighter’’* was successfully conducted on *7th March 2026* from 11:00 a.m. to 12:00 p.m. at the HKCE Campus. The program was organized by *Dr. Avani Kanakiya Ma’am* for the *FY B.Ed. students* with the aim of spreading awareness about fire safety and emergency preparedness.

The program was conducted *in the presence of the Principal, Dr. Varsha Maru Ma’am*, whose encouragement motivated the students to actively participate in the session. The event was further supported and guided by the faculty members *Dr. Sandhya Sarvade Ma’am* and *Prof. Shenaz Khan Ma’am*.

During the program, students were introduced to the *basic concepts of fire safety, types of fire hazards, and preventive measures* that can be taken during emergency situations. The session also highlighted the importance of staying calm, following safety protocols, and using fire safety equipment properly. The activity aimed to develop awareness and responsibility among students regarding safety in educational institutions and daily life.

Learning Outcomes*

1. Students understood the *importance of fire safety and prevention* in daily life and educational institutions.
2. Students learned about *different types of fire hazards* and how they can occur.
3. Students became aware of *basic fire safety measures and emergency response techniques*.
4. Students developed the ability to *stay calm and act responsibly during fire emergencies*.
