Introduction

A Zero Plastic Awareness Campaign was organised at Humera Khan College of Education on 14th March 2026 with the aim of creating awareness about the harmful effects of plastic and encouraging people to adopt eco-friendly practices. The campaign was conducted under the guidance of Dr Avani Kanakia, DLLE Extension Teacher, along with the support of the Student Managers Ms Aqsa Jairajpuri and Ms Lubna Shaikh. A total of 30 students actively participated in the campaign. The activity was organised to promote the idea of a plastic-free environment and to motivate students as well as the local community to reduce the usage of plastic in their daily lives.

Objectives

- To create awareness about the harmful effects of plastic on the environment.
- To encourage students and the local community to reduce the use of plastic.
- To promote the concept of Zero Plastic and Zero Waste.
- To develop a sense of responsibility among students towards environmental protection.

Significance of the Campaign

Plastic pollution has become a serious environmental issue affecting land, water bodies, and living organisms. The campaign helped students understand the importance of reducing plastic consumption and adopting sustainable practices. Such initiatives also play an important role in building environmental awareness and encouraging communities to participate in protecting nature.

Content

The Zero Plastic Awareness Campaign began with a short briefing by Dr Avani Kanakia Ma'am, who explained the importance of minimising plastic usage and maintaining a clean environment. Around 30 students participated enthusiastically in the campaign.

Students conducted a rally around the locality, where they raised awareness by chanting various slogans promoting the reduction and avoidance of plastic. The slogans highlighted the dangers of plastic pollution and encouraged people to adopt environmentally friendly alternatives.

As part of the campaign, students also carried out a cleanliness drive within the college premises to promote the concept of Zero Waste and Zero Plastic. The participants collected plastic waste and ensured that the surroundings of the college were clean and plastic-free. The activity created

awareness not only among students but also among the local residents who witnessed the rally and the cleanliness drive.

Learning Outcomes

The campaign helped students develop environmental awareness and understand their responsibility towards sustainable living. It encouraged teamwork, active participation, and leadership among students. The activity also inspired students to adopt eco-friendly habits and promote the message of reducing plastic usage in their daily lives. The Zero Plastic Awareness Campaign was successfully conducted with active participation from students. The rally and cleanliness drive effectively spread the message of reducing plastic usage and maintaining a clean environment. The campaign proved to be a meaningful initiative in promoting environmental responsibility and encouraging the community to move towards a plastic-free future.
