WORLD POPULATION DAY

ONLINE QUIZ COMPETITION

11 JULY 2026 | **11:00 AM ONWARDS**

ABOUT WORLD POPULATION DAY

World Population Day is observed every year on 11th July to raise awareness about global population issues such as overpopulation, gender equality, poverty, maternal health, education and sustainable development. It encourages us to reflect on how population trends impact our environment, resources and future generations.

THEME 2026

"Empowering young people to create the families they want in a fair and hopeful world."

Date: 11th July 2026

Time: 11:00 am onwards

Venue: 501 Classroom

Introduction:

World Population Day is observed annually on July 11 to raise awareness about global population issues. Established by the United Nations Development Programme in 1989, the day focuses on critical challenges such as poverty, gender equality, maternal health, human rights, and the importance of sustainable resource management.

On the occasion of World Population Day, Maharashtra Educational Society's Humera Khan College of Education, The Library Committee, Under IQAC, Organized an Online Quiz Competition on 11 July 2026. The quiz consisted of multiple-choice questions based on the significance of World Population Day, Global Population Trends Demographic Challenges, Sustainable Development and related facts

Objective:

- To create awareness among students about the significance of World Population Day and global population issues.
- To enhance students' knowledge of population growth, demographic trends, and their impact on society, the economy, and the environment.
- To encourage active participation and learning through an interactive online quiz, fostering critical thinking and healthy academic competition.

Content:

The Library Committee, under the guidance of Dr. Upasana Roy, Principal of Humera Khan College of Education, organized an Online Quiz Competition on 11 July 2026 to commemorate World Population Day. The quiz was conducted through an online platform and focused on the theme and

significance of World Population Day, population growth, demographic trends, sustainable development, family welfare, and related global issues.

Students actively participated in the competition and demonstrated their knowledge and awareness of population-related concerns. All participants who successfully completed the quiz were awarded Participation Certificates.

The winners were selected based on the maximum number of correct answers submitted in the shortest time. The competition concluded successfully with enthusiastic participation, fulfilling its objective of creating awareness and promoting knowledge through an engaging learning activity.

Participants:

The activity received an enthusiastic response from the F.Y.B.Ed. (Semester I) students, with a total of 27 participants actively taking part in the competition. All students enthusiastically participated in the quiz, and those who successfully completed it were awarded Participation Certificates in recognition of their involvement.

The winners were selected based on the highest number of correct answers submitted in the shortest time.

Winners:

1. Mirza Simran
2. Ahmad Fatima
3. Khushi Shaikh

Learning Outcome:

The activity created awareness among students about the importance of World Population Day and the challenges associated with rapid population growth. It enhanced students' understanding of population-related issues, sustainable development, and responsible use of resources.

The online quiz promoted self-learning, critical thinking, and digital participation in an engaging
